Sample Script

Your role is to **INVITE!**

Let your mentors help you present and explain the business.

What to say to Friends & Family:

"Hey, what are you doing _____? Listen, I found a way for us to make some great extra money! Trust me and be at *(location, date and time of meeting)!*"

What to say as Professional to Professional:

"Hey, what are you doing _____? I'm working on a business project and I'm looking for a few key people to work with. Are you open to evaluating a way to make money outside of what you currently do?"

What to say if they ask Questions:

"Basically, we are going to be positioned to make money every time somebody pays their **Energy** bill. **You need to see this the same way I did!** Trust me; you need to be at _____!"

What to say if they Can't Make It:

"We have to talk right away! When is the soonest we can get together?"
